Celebrated publisher Novello & Company is pleased to introduce a selection of choral and opera editions by two stalwarts of the choral repertory. 2009 is an anniversary year for many composers including Handel. Novello marks the anniversary with the publication of two new editions, Handel's great opera *Semele* (ed. David Vickers) and also his *Ninth Chandos Anthem* (ed. Graydon Beeks). Purcell shares the anniversary year with Handel and a reminder of some of the revered Purcell Society editions is enclosed.

All works listed in this leaflet are available to purchase through [www.musicroom.com](http://www.musicroom.com). Information about how to hire parts can be found at [www.chesternovello.com](http://www.chesternovello.com)
